

# 880 Tradition™ Chicago Style Fire Helmet

- New shell texture for fire-hardened appearance
- Same great features as the 880 Tradition™ Fire Helmet
- Lowest-profile traditional-style fire helmet on the market
- Meets all the protection requirements of NFPA 1971-2007
- Minimal parts for lower service cost and easier maintenance

The MSA 880 Tradition Chicago Style Fire Helmet from Cairns Helmets combines traditional design and legendary performance with modern materials and a new fire-hardened look. This helmet's design offers a low-ride and compact profile for superior clearance and maneuverability. The tough, high-temperature thermoplastic shell resists chipping and cracking.

Cairns Helmets' standard five-year shell replacement warranty provides insurance against fire ground damage. Our high-tech thermal impact cap provides increased heat and impact protection. Unique tube-lock system helps to absorb the shock of an impact. Ultra-high temperature TPR edge trim prevents against melting or dripping.

The three-position, rear-ratchet height adjustment ensures a secure and comfortable fit for all head sizes between 5 5/8" and 7 5/8" inches. Front headband adjustment features an exclusive SCBA interface that matches the fit of any SCBA facepiece. Contact MSA Customer Service for available colors.

Smallest, lightest traditional-style fire helmet available. Impact cap retains the safety features of larger, traditional-style helmets. Low-profile, stable, balanced shell for optimum clearance and maneuverability. Meets NFPA 1971-2007. Five-year shell replacement warranty

## Accessories

### CairnsHelmets ESS Goggle

Sport look, high-temperature eye protection that fits over most glasses and will not fog due to superior ventilation. Features optional protective tear off lens covers. NFPA/ANSI/OSHA approved.

### Faceshields

The CairnsHelmets 4" Tuffshield is standard on all Traditional and Deluxe Configuration Helmets. (ASTM-D648 melting temperature is 345° F).

### Bourkes

The original easy-flip Bourkes eyeshield is available on all Traditional Helmets. OSHA-approved only.

## Fronts

The 880 Tradition is available with a 5" or 6" front. Choose from hand-painted or printed gold leaf and standard patent or genuine leather, in 8 colors plus reflective Scotchlite.

5" front
